## **GP Con and Groß & Partner on 9 May 2019 at the konaktiva in Darmstadt**

Meet GP Con and Groß & Partner at the konaktiva in Darmstadt.

Every year students use the konaktiva to try and find an internship, a working student position and even their dream job. The company contact fair offers the opportunity to make contact with well-known companies from a wide variety of industries.

We would also like to participate again this year and support students with their further education. You will find us at Booth B6. We would also be happy to talk to you personally in a quiet atmosphere. We look forward to receiving your application at [bewerbung@gp-con.de](mailto:bewerbung@gp-con.de).

If you can't be in Darmstadt, you can find out more about our news and the right contact persons for you at <http://gp-con.de/> and <https://www.gross-partner.de/de/>
